## FARMER'S WEEKLY-ARC BEST ELITE COW PER BREED AWARDS – REQUIREMENTS

1. The cow must have received an Elite award during the year concerned.
2. The cow may not have received a previous Farmer's Weekly award.
3. The cow's average inter calving period may not exceed 400 days.
4. The cow may not have more than one calf without a reliable weaning weight.
5. The following aspects will be evaluated from the qualifying cows (see abovementioned items 1 to 4) to identify the best Elite cow per breed:
  - 1.1 Birth and weaning breeding values of the cow.
  - 1.2 Average efficiency index (if available).
  - 1.3 Percentage progeny approved by the breeders' society concerned, taking into account the sex and herd book status of each calf.
  - 1.4 Average inter calving period and Reproduction index.
  - 1.5 Percentage performance tested calves (with valid birth and weaning weights).
  - 1.6 Number of calves with reliable weaning weights considering the cow's age.
